Alternative Options for Finance

It is important that you are aware there may be alternative options to finance your requirements which, if relevant, your adviser will consider and discuss with you, for example a Second Charge Mortgage, Unsecured lending or a Further Advance. If an alternative route appears to be the most appropriate and our adviser is not authorised to provide the advice in this instance they may recommend a referral route. Mortgage Advice Bureau's preferred partner for alternative lending solutions is Brightstar Financial.

Insurance

Important Information about Buy to Let Mortgages

It is important you are aware you may receive in most cases advice on a Buy to Let mortgage which will not be regulated by the Financial Conduct Authority (FCA). There are limited exceptions, including where the tenant is a member of the borrower's immediate family, the borrower intends to occupy the property at some stage or if the transaction is classed as a Consumer Buy to Let, for example if the borrower previously occupied the property. Where a transaction is not regulated by the FCA you will not receive the protection of the Financial Services Compensation Scheme (FSCS) and may not be entitled to refer any related complaints to the Financial Ombudsman Service (FOS) should the need arise. We will inform you whether your transaction is regulated by the FCA.
